Assembly Instructions

The illustration shown is for the KT3095 Hello Kitty Table Lamp.

- Place the lamp on a flat, level surface
- Unscrew the Shade Ring and place the lampshade onto the lamp holder as shown.
- Replace the Shade Ring to secure the shade to the base.
- Fit the light bulb provided (maximum of 9 watts).
- Plug the lamp into a suitable mains outlet socket.

Bulb replacement

- This lamp uses a 230 volt fluorescent (G24q-1) bulb. Do not attempt to fit any other type of bulb.
- Before replacing the bulb, switch the lamp off and disconnect it from the mains wall outlet.
- For further information or supply of the replacement bulbs, please contact your supplier.

Important Safety Information

- Unplug this product from the mains wall outlet before clearing. Do not use liquid or aerosol cleaners. Use a soft, dry cloth. Do not use furniture polish, waxes, plastic cleaner, solvents or detergents.
- Do not locate this product near water e.g. In a bathroom, laundry room or near a swimming pool.
- Do not place material or other items on top of the shade.
- Before touching the bulb, turn the lamp off and disconnect from the mains supply. Then allow time for the bulb to cool.
- If the cable of this lamp is damaged or the fuse located in the lamp holder blows, it must be replaced by a suitably qualified person.
